Select the type of insurance that fits you best, with or without co-pay.

2
Fillings⁽³⁾
a year!

**And they
acumulate!**

"Covers 70% of the reasons you go to the dentist". Data obtained from analysis of dental services carried out in Milenium Dental Centres between 01/07/14 and 31/12/16.

(1) According to the type of product selected: without co-pay, 58 services at no cost; with co-pay, pay €3 per visit regardless of the number of services rendered during the visit and without prejudice to the amounts that may correspond to franchises based on the services performed during the consultation.

(2) Provided they are included in the policy of at least one of their parents.

(3) Two of the following treatments are included in the policy of the insured party for each year this policy is in effect: fillings, reconstructions and tooth sealing procedures. If the insured party requires treatment beyond this limit, he/she must pay the following amounts: filling €36, reconstruction €46, direct pulp capping €14.50, indirect pulp capping €9.50, and filling on a temporary tooth €36.

12'95
€/month ⁽⁴⁾
Per person with co-pay ⁽²⁾

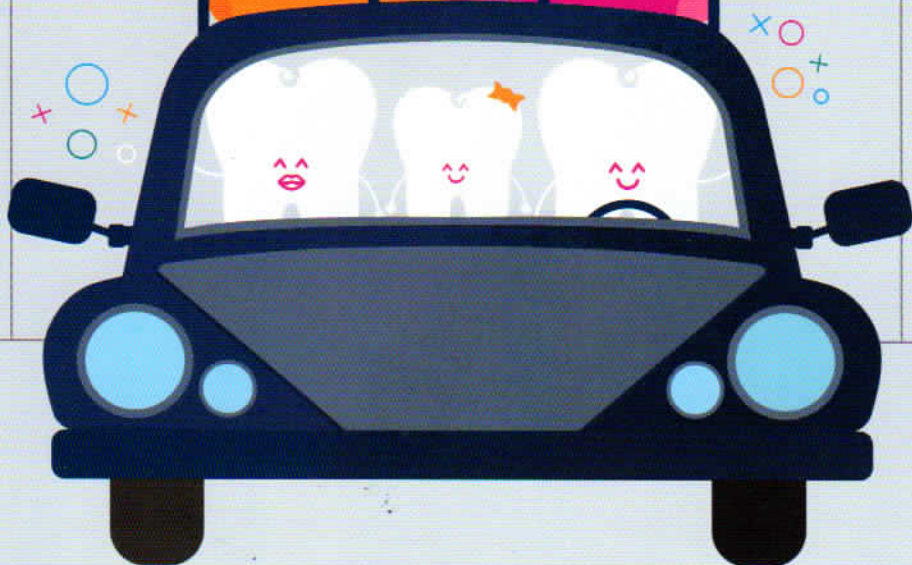

14'95
€/month ⁽⁴⁾
Per person without co-pay ⁽²⁾

Family Pack
for 3-6 members

34'90 ⁽⁵⁾
€/month
With co-pay ⁽¹⁾

37'90 ⁽⁵⁾
€/month
Without co-pay ⁽¹⁾

+ €5 from the 7th insured party

⁽⁴⁾ Net monthly premiums per insured party to which the Insurance Consortium surcharge (0.15% over the net annual premium) will be applied. Premium valid for contracts finalised between 01/01/2017 and 31/12/2017, both inclusive, and applicable for the 12 months following the effective date of the policy.

⁽⁵⁾ Family Pack. Net monthly premium for policies that include 3 to 6 insured parties. The insured parties included in the pack must be first-degree family members of the policyholder or cohabitate with him/her at the same address. In order to be eligible to contract this product, at least the first three insured parties must be older than 6 years of age.
